We hope to have our new website up and running shortly. In the mean time, would you mind sending this email onto anyone who may be interested in our Triathlons.

It was great to watch the triathlon events on TV during the Olympics. Well done to Erin Densham who got a Bronze for Australia in the Women's event. The best of our men was Courtney Atkinson. It was amazing to see the Brownlee brothers from GB fight it out at the finish.

The crowds for the events were amazing and they seemed to go past every London landmark. Whilst our course isn't quite as spectacular, it has a great country setting and lots of straight stretches for the bike and running around the picturesque TAS grounds is a good running course.

If you have any news items to go into the newsletter or an old bike to sell, please let me know and I will spread the word through the newsletter and later through the website.

Happy training and we look forward to seeing on the 14th of October for the first race.
