

Forsyths Triathlon Series 2014 – 15 Race 4 Report

Despite the school holidays and excesses of the festive season (or perhaps because of the excesses?) there was a great turnout of 63 entrants for the 4th Forsyths tri of the 2014 /15 season.

First race for the new year was the **Kids' race** which Jaz Davis won in a neat time of exactly 5 minutes. Congratulations to all other entrants in the Kids race with a special mention to 1st time entrants.

In the **Long Course** congratulations to Callum Dolby who was comfortably first home (overall and in the 17 – 34 years group) in the cracking time of 53:55. Jack Parker was first home in the Junior division and (for the first time Jack?) broke an hour; well done! Other male long course group winners were Nathan Friedman in the 35 – 49 years group and Stuart Hutton in the 50+ years group.

There were 4 participants in the women's divisions with Alina Butler placing first in the 17 – 34 years group and Suzy Ross again taking out the 35 – 49. Well done too to Linley Ryan in the 35 – 49 division for a season PB.

Callum Godwin was first home in the **Short Course** and his 15 points puts him well on top of the juniors division. Michael Ball was first home in the male open group with Michael Henderson 2nd. Welcome to the individual tri debutants Simon Wright and Jon Beynon.

The Balls dominated the women's short course juniors with Michaela (coming back from a knee injury) first and Alicia second. In the open division Kath Gwynne was first home followed by Sheree Friedman whose 14 points further increases her lead in the season point score. Welcome to Lyndy Beynon who is another individual tri debutant and welcome back (to tri competition rather than tri organisation) to Lea McMillan.

Last but not least was the **Juniors race** and first boy home was Lachlan Harris followed by Sam Davis. In the girls Lucy Ball was first with Jemima Davis second.
